From Counseling and Psychological Services:

Stress Buster for the Week

Now that you've been at Mount St. Mary's for about three weeks, you may be feeling a little homesick or maybe you've realized that life with roommates is not exactly as it appears on "Friends." Getting adjusted to new classes, professors, roommates, cafeteria food, not having a car, living in a big city, managing your finances, and making new friends are just a few of the joys and complications of college life. Our job as counselors is to help you adjust to these changes. Call us if you'd like to talk to someone in private.

If you feel like you're carrying the world on your shoulders or just need someone to listen, call Ext. 2668 to schedule an appointment with a counselor. Our services are free and confidential.

We are located in Building 7. Office hours: Tuesday, Wednesday, and Thursday from 8:30 a.m. to 4:30 p.m.

From ASB:

Associated Student Body Elections will be holding a general meeting for the new student body leaders on Monday, September 16, 2002, and Tuesday, September 17, from 9:00 a.m. to 2:00 p.m. and 4:00 p.m. to 7:00 p.m. in front of the Cafeteria. Please come and support our candidates. All students must present their MSMC student ID to vote.

Election results will be announced on Thursday, September 19, between 12:00 noon and 1:00 p.m. in front of the Cafeteria.

The Associated Student Body will be hosting a Club Fair on Tuesday, September 24, and Wednesday, September 25, from 9:00 a.m. – 1:00 p.m. and 4:00 p.m. – 6:00 p.m. Please come and sign up to be a member of a club on campus.

Anyone interested in having a bulletin board in Bldg. 4 for 2002- 2003 school year, please contact the Student Activities Office at Ext. 2660 for theme and color selections.

The Associated Student Body wishes and thanks everyone who joined us for the Mount Remembrance for September 11, 2002. It was a very heartwarming experience.

From Counseling and Psychological Services:

Stress Buster for the Week

Going to see a counselor can be scary, especially if you've never done it before or if you had a bad experience when you did see one. Also many people think seeing a counselor means you've really lost it-that you're crazy! However, talking with a counselor or psychologist does not mean that you're crazy. It just means that you care enough about yourself and those around you, that you want to take good care of yourself and not let problems overwhelm you. Talking with someone whom you trust to keep things confidential can allow you to vent your feelings, relieve your stress, and resolve your concerns before they get out of control.

If you feel like you're carrying the world on your shoulders, call ext. 2668 to schedule an appointment with a counselor. You will find us in Building 7. Office hours:

Tuesday, Wednesday, and Thursday from 8:30 a.m. to 4:30 p.m.

Stress Buster for the Week

By now you may be feeling the crunch of exams and papers, social life, work and family responsibilities. Time is rushing by so fast you don't even know where it went. Keeping a time log for a few days will give you an idea of how you are spending your time. You may be surprised when you add up the time you spend on the phone, eating, socializing, traveling, studying, etc. Ask yourself, "Is this activity worth the time I am spending on it? Does the time invested on each activity reflect my highest priority and goals? If you are interested in keeping a time log, pick up a blank copy in the CPS office in Building 7.

Feel like you're carrying the world on your shoulders? Call Ext. 2668 to schedule an appointment with a counselor. Our services are free and confidential. We are in Building 7. Office hours: Tuesday, Wednesday, Thursday from 8:30 am--4:30 pm.

She will be holding an information session on Tuesday, October 1st, from 1 to 2 pm in the Lecture Hall at the Chalon Campus. The goal of MAT is to encourage outstanding minority college students to enter the field of advertising by providing them with internships in agencies, print, and the broadcast media. The MAT Program hopes to increase diversity in the advertising community by providing the industry with outstanding and promotable interns. The MAT program offers paid internships three times a year (Spring, Summer, and Fall), many of Southern California's top advertising and broadcasting companies. MAT has placed over 380 interns to date. Helping to launch many advertising careers, MAT provides interns with their first professional training and experience. As a result, many of our interns have been offered full-time positions by their companies of internship.

Ms. Sandoval is not only an alum of the Mount but also a past MAT participant. She credits her start in the advertising industry to the MAT program. From Counseling and Psychological Services:

Stress Buster for the Week

Depression is a serious illness that negatively affects the way you experience the world around you. It's normal to feel sad or blue sometimes, but when these symptoms become intense and persist longer than a week or two, you may need professional help. Although depression affects 1 in 10 adults each year, unfortunately few people seek help. On Wednesday, Oct. 9, our office will be offering free depression screening. Please take a few minutes to come by our table on the driveway beside the cafeteria between 11:30 and 1:30 to participate in the depression screening or to pick up information on how depression affects your life and what you can do about it.

Feel like you're carrying the world on your shoulders? Call Ext. 2668 to schedule an appointment with a counselor. Our services are free and confidential. We are in Building 7. Office hours: Tuesday, Wednesday, Thursday from 8:30am--4:30pm.

From ASB:

The ASB would like to thank all those who participated in the Town Hall Meeting. We will be addressing all the issues and concerns that were shared.

From the Registrar's Office

Withdrawing from classes: To withdraw from a class, a student must get a Drop slip (the same as the add/drop slips) from outside the registrar's office. She fills it out and obtains the signatures of the following people/offices: her advisor's signature (because the advisor will tell her the consequences of dropping the class), the instructor's signature, a signature from the business office and **pays \$10.00**, a signature from the financial aid office (dropping a class may effect your financial aid). Once she has obtained the signatures, she brings the form to the Registrar's Office. The last day to withdraw with a grade of "W" is November 4.

Graduating in May 2003? Students planning on graduating in May 2003 should have already filled out a graduation application. If you plan on graduating and have not yet filled out the application, please come to the Registrar's Office and fill one out as soon as possible. The registrars are doing graduation evaluations and will send out letters soon telling those who applied to graduate what they will need to take in their Spring semester.

Doheny Campus Library Offering Database Training:

The Doheny library is offering FREE training on the use of its databases. These databases contain thousands of journal articles, which you can access and use for school research papers as well as for personal information. Unlike the Internet, the databases contain many peer reviewed, full text articles that have been previously printed in scholarly journals. Access to the databases is as easy as finding the library home page at the Mount's web site. Sign up in the library to take advantage of this free training and tips that will save you hours of hunting for information. Each person will have her own computer set-up so space is limited. Sign-up early for the widest choice of days and times. Training is scheduled for Tuesday, Oct. 8, at 4:30-5:30; Thursday, Oct. 10th, at 11:30-12:30; and Monday, Oct. 14, at 4:30-5:30. If none of those times or days suits your needs, please make your wishes known to the librarians, and perhaps we will be able to schedule a fourth training session. These training sessions are open to the entire Mount community--students, faculty, staff. Sign up in the library for next week's sessions.

The Mount's librarians are also offering Doheny library tours. Dates are fluid, so stop by the library and arrange for a library tour.

From Campus Ministry:

Saint of the Week:

Catherine of Alexandria

Feastday: November 25

She converted to Christianity after receiving a vision. When she was 18 years old, she was offered to debate the pagan philosophers. The pagan philosophers tried to convince Catherine that her beliefs in Christianity were foolish. She denounced Maxentius for persecuting Christians. Afterwards she was offered a royal marriage by Maxentius, if she would deny her faith. She refused and was called "Aekatharina", that is "ever pure", by Greek Christians. Thereafter, she was persecuted and, soon after, killed. Maxentius' blind fury against St. Catherine is symbolic of the anger of the world in the face of truth and justice.

Christmas "Gift" from the Interim A.A. Dean:

Dear Students, Faculty, and Staff,

As we anticipate this 2002 Christmas Season, let us remember its true meaning: A celebration of the birthday of the Christ Child. Birthdays always suggest gift-giving and rightly so. This Christmas my gift to each of you and your families is one of **HOPE--hope for the peace and love that the first Christmas brought to our world.** My prayer is that this same gift of hope, along with God's blessings, will extend into the New Year!

From Campus Ministry:

Saint of the Week:

Our Lady of Guadalupe Feast Day: December 12 Patron of the Americas

Guadalupe is, strictly speaking, the name of a picture, but the name was extended to the church containing the picture and to the town that grew up around the church. It makes the shrine, it occasions the devotion, it illustrates Our Lady. It is taken as representing the Immaculate Conception, being the lone figure of the woman with the sun, moon, and star accompaniments of the great apocalyptic sign with a supporting angel under the crescent

When we reflect on the feast day of Our lady of Guadalupe, we learn two important lessons, one of faith and one of understanding.

Saint of the Week

St. Thomas Aquinas Feastday: January 28
Patron of all Universities and Students

Thomas Aquinas is the greatest spokesman of the Catholic tradition of reason and of divine revelation. He is one of the great teachers of the medieval Catholic Church, honored with the titles Doctor of the Church and Angelic Doctor. His greatest contribution to the Catholic Church is his writings. The unity, harmony and continuity of faith and reason, of revealed and natural human knowledge, pervade his writings. One might expect Thomas, as a man of the gospel, to be an ardent defender of revealed truth. But he was broad enough, deep enough, to see the whole natural order as coming from God the Creator, and to see reason as a divine gift to be highly cherished.

Happy Valentines! This is a special week dedicated to showing love to one another. Love not only makes us feel good, but can be helpful in reducing mental and physical illnesses. People who have loving relationships are less stressed and consequently suffer less depression, heart disease, and even cancer. Taking time to show your love to others and accepting love from them increases your happiness and your health. Also, don't forget to show love to yourself by doing loving things for yourself, like exercising, relaxing with friends and family, and eating nutritious foods. You deserve it!

Feel like you're carrying the world on your shoulders? Call Ext. 2668 to schedule an appointment with a counselor. Our services are free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs--8:30 a.m. to 4:30 p.m.

For more information go to <http://nikki-giovanni.com/>

"What's the difference between prison and college? They both prescribe your behavior for a given period of time. They both allow you to read books and develop your writing. They both give you time alone to think and time with your peers to talk about issues. But four years of prison doesn't give a passport to greater opportunities. Most likely that time only gives you greater knowledge of how to get back in. Four years of college gives you an opportunity not only to lift yourself but to serve your people effectively".
Nikki Giovanni (*Racism 101*)

HISTORY OF THE MEXICAN AMERICAN
CIVIL RIGHTS MOVEMENT

Tuesday, February 25, QUEST FOR A HOMELAND

Events at Tierra Amarilla, New Mexico in 1967 sparked a national movement for social justice. Mexican Americans sought to regain land guaranteed to them by the 1848 Treaty of Guadalupe Hidalgo. This video concludes with the 1970 Chicano Moratorium March against the Vietnam War held in East Los Angeles that turned into a riot resulting in the death of renowned journalist Rubén Salazar.

Thursday, February 27, THE STRUGGLE IN THE FIELDS

Under the leadership of nonviolence advocate César Chavez, farmworkers launched a strike against California grape growers in 1965 that led to the first union contracts in farm labor history.

Tuesday, March 4, TAKING BACK THE SCHOOLS

This video chronicles the struggle to reform an educational system that failed to properly educate Mexican American students, causing more than 50% to drop out, and leaving many others illiterate and unskilled. It focuses on the 1968 walkouts by thousands of East LA students.

Thursday, March 6, FIGHTING FOR POLITICAL POWER

Episode 4 focuses on the emergence of Mexican American political activism and the creation of *La Raza Unida* that inspired a generation of political activists.

Doheny Mansion Tours

Date: Saturday April 5

Have you ever wondered about the first residents of the Doheny Mansion and what life was like 100 years ago on Chester Place where our Doheny Campus is located? On April 5, you and your family and friends can learn all about it. For the first time since 1965, the College invites the Mount community to a docent-led tour of the Doheny Mansion, #8 Chester Place, on its downtown campus. Four tours will be given starting at 9:00, 9:45, 10:30 and 11:15 a.m. The home of oil baron Edward L. and Carrie Estelle Doheny for almost 60 years, the Gothic Renaissance style Victorian mansion was designed by architects Theodore Augustus Elsen and Sumner P. Hunt in 1898. This well-maintained home boasts a marble-pillared great hall, the Pompeian Room with imported Siena marble and a Tiffany iridescent glass dome, furniture copied by permission of the Italian government from Pompeian furniture in a Rome museum, and much of the original furnishings in its other opulent rooms. Step back in time as you learn the history of this fascinating family, and the lifestyle of rich and famous Angelenos 100 years ago. Tour groups limited to 15 people will visit the first floor of the Mansion and outside surroundings. **Reservations are a must! No children under 12, please.**

Call Debra Miller at (213) 477-2768 to book reservations by March 24, or for further information. Proceeds will benefit the preservation of this historic residence. \$25 per person

Tuesday, February 25, QUEST FOR A HOMELAND

Events at Tierra Amarilla, New Mexico, in 1967 sparked a national movement for social justice. Mexican Americans sought to regain land guaranteed to them by the 1848 Treaty of Guadalupe Hidalgo. This video concludes with the 1970 Chicano Moratorium March against the Vietnam War held in East Los Angeles that turned into a riot resulting in the death of renowned journalist R ben Salazar.

Thursday, February 27, THE STRUGGLE IN THE FIELDS

Under the leadership of nonviolence advocate C sar Chavez, farmworkers launched a strike against California grape growers in 1965 that led to the first union contracts in farm labor history.

Tuesday, March 4, TAKING BACK THE SCHOOLS

This video chronicles the struggle to reform an educational system that failed to properly educate Mexican American students, causing more than 50% to drop out, and leaving many others illiterate and unskilled. It focuses on the 1968 walkouts by thousands of East LA students.

Thursday, March 6, FIGHTING FOR POLITICAL POWER

Episode 4 focuses on the emergence of Mexican American political activism and the creation of *La Raza Unida* that inspired a generation of political activists.

Saint of the Week

In honor of Black History month, we would like to share the story of St. Martin de Porres!

St. Martin de Porres

Feast day: November 3 **Patron of** Barbers

He was the illegitimate son of a freed woman of Panama, probably black but also possibly of Native American ancestry, and a Spanish grandee of Lima, Peru. He inherited the features and dark complexion of his mother. That irked his father, who finally acknowledged his son after eight years. After the birth of a sister, the father abandoned the family. Martin was reared in poverty, locked into a low level of Lima's society.

It was particularly impressive that he treated all people regardless of their color, race or status. He was instrumental in founding an orphanage, took care of slaves brought from Africa and managed the daily alms of the priory with practicality as well as generosity.

“Racism is a sin almost nobody confesses. Like pollution, it is a ‘sin of the world’ that is everybody's responsibility but apparently nobody's fault.” – St. Martin de Porres

GET ON THE BUS

Book Sale

GET ON THE BUS brings children and their guardians/caregivers from throughout the state of California to visit their mothers at the Central California Women's Facility and the Valley State Prison for Women. Located in Chowchilla, a remote community in the central San Joaquin Valley, these institutions are eight hours away from the urban centers of northern and southern California, both facilities are the largest women's prisons in the world housing 7,000 women—many of whom are mothers.

All money from the used book sale in Bldg 4 will help children get on the bus to see their mothers. If you want a book (or have already taken a book), please put the money in an envelope and leave it (or slide it under the door) in the Mac Lab Rm. 108B. You may also leave any donations for this project there also.

Doheny Mansion Tours on Saturday April 5

Have you ever wondered about the first residents of the Doheny Mansion and what life was like 100 years ago on Chester Place where our Doheny Campus is located? On April 5, you and your family and friends can learn all about it. For the first time since 1965, the College invites the Mount community to a docent-led tour of the Doheny Mansion, #8 Chester Place, on its downtown campus. Four tours will be given starting at 9:00, 9:45, 10:30 and 11:15 a.m. The home of oil baron Edward L. and Carrie Estelle Doheny for almost 60 years, the Gothic Renaissance style Victorian mansion was designed by architects Theodore Augustus Elsen and Sumner P. Hunt in 1898. This well-maintained home boasts a marble-pillared great hall, the Pompeian Room with imported Siena marble and a Tiffany iridescent glass dome, furniture copied by permission of the Italian government from Pompeian furniture in a Rome museum, and much of the original furnishings in its other opulent rooms. Step back in time as you learn the history of this fascinating family, and the lifestyle of rich and famous Angelenos 100 years ago. Tour groups limited to 15 people will visit the first floor of the Mansion and outside surroundings. **Reservations are a must! No children under 12, please.** Call Debra Miller at (213) 477-2768 to book reservations by March 24, or for further information. Proceeds will benefit the preservation of this historic residence. \$25 per person

From Campus Ministry:

Saint of the Week

St. Katharine Drexel (1858-1955)

Feastday: March 3

She was born in Philadelphia in 1858. She had an excellent education and traveled widely. As a rich girl, she had a grand debut into society. But when she nursed her stepmother through a three-year terminal illness, she saw that all the Drexel money could not buy safety from pain or death, and her life took a profound turn.

Saints have always said the same thing: Pray, be humble, accept the cross, love and forgive. But it is good to hear these things in the American idiom from one who, for instance, had her ears pierced as a teenager, who resolved to have "no cake, no preserves," who wore a watch, was interviewed by the press, traveled by train and could concern herself with the proper size of pipe for a new mission. These are obvious reminders that holiness can be lived in today's culture as well as in that of Jerusalem or Rome. (www.americancatholic.org)

Mardi Gras:

Mardi Gras/Fat Tuesday is here!!! Join us for our annual Mardi Gras festival on March 4, 2003. There will be treats all day in many offices on campus and a special cafeteria menu. Ash Wednesday:

There will be three masses throughout the day in the chapel. All of the prayer services will have distribution of ashes. The times of the masses are as follows: 7:30a.m., 12:00 noon, 7:30 p.m. For more information, call Monica or Gaile at ext. 2672.

St. Joseph Day is coming!!! Stay posted for more information!!!

Please submit articles for publication in the Doheny Happenings to Bertha Rodriguez in Bldg. 10 at the Doheny campus or via email to brodriguez@msmc.la.edu on or before Thursdays at 10:00 a.m. for next's weeks issue.

Women's Leadership Program:

The month of March has been designated as National Women's History Month by Presidential and Congressional Resolution. This historic celebration reminds us of the importance of continuing to fill the pages of our history that remained absent until the national effort to retell the stories of women.

This year's theme, "*Women Pioneering the Future*," celebrates pioneering women from U. S. history, who led and won campaigns for equality and civil rights; who created and advanced educational and professional opportunities; and who made great contributions to the arts, sciences, and humanitarian causes.

As we celebrate Women's History, let us also recognize the countless women who encourage, protect and guide us. Let us honor the women who help make the world better on a daily basis. Let us remember our students, faculty, and staff, the Sisters of St. Joseph, the volunteers in our communities, and the women in our families. Let us celebrate their accomplishments, kindness and purpose during this National Women's History Month and let us remember and celebrate their lives throughout the year.

Meet Dorothy Day

Facts about Dorothy Day

- Today over 185 Catholic Worker communities remain committed to nonviolence, voluntary poverty, prayer, and hospitality for the homeless, exiled, hungry, and the forsaken.
- Day won a scholarship that brought her to the University of Illinois campus at Urbana in the fall of 1914.
- She next worked for *The Masses*, a magazine that opposed American involvement in the European war. In September, the Post Office rescinded the magazine's mailing permit. Federal officers seized back issues, manuscripts, subscriber lists and correspondence. Five editors were charged with sedition.
- In November 1917 Day went to prison for being one of forty women in front of the White House protesting women's exclusion from the electorate.
- Back in New York in 1924, Day bought a beach cottage on Staten Island using money from the sale of movie rights for a novel.
- In the winter of 1932 Day traveled to Washington, D.C., to report for *Commonweal* and *America* magazines on the Hunger March.
- In 1936 the community moved into two buildings in Chinatown, but no enlargement could possibly find room for all those in need.
- Then came 1960, when instead of a handful of people coming to City Hall Park, 500 turned up. The police arrested only a few, Day conspicuously not among those singled out. In 1961 the crowd swelled to 2,000. This time 40 were arrested, but again Day was exempted.
- One of the community houses had been hit by machine-gun fire and Ku Klux Klan members had burned crosses on community land. Day insisted on taking a turn at the sentry post. Noticing an approaching car had reduced its speed, she ducked just as a bullet struck the steering column in front of her face.
- In 1965, Day returned to Rome to take part in a fast expressing "our prayer and our hope" that the Council would issue "a clear statement, 'Put away thy sword.'" Day saw the unpublicized fast as a "widow's mite" in support of the bishops' effort to speak with a pure voice to the modern world.
- Day herself was last jailed in 1973 for taking part in a banned picket line in support of farmworkers. She was 75.

Saint of the Week

Saint Margeret of Clitherow

Feastday: March 26

Saint Margeret of Clitherow was born in Middleton, England, in 1555, of protestant parents. Possessed of good looks and full of wit and merriment, she had a great personality. In 1571 she married John Clitherow, a butcher with whom she had two children from. Several years later, Margeret and her family entered the Catholic Church. Her zeal led to harboring fugitive priests, for which she was arrested and persecuted by hostile authorities. Many people tried to make her deny what she believed in very passionately. Finally, she was codemned to death on March 25, 1586.

"The Sheriffs said that I am coming to die this Friday; and I feel the weakness in my flesh, which is troubled at this news, but my spirit rejoices greatly. For the love of God, pray for me and ask all good people to do likewise." -Saint Margaret of Cliterow

MARY'S DAY 2003

Mary's Day, the annual academic honors and awards convocation for the baccalaureate students, will be held this year on Saturday, April 26, beginning at 2 PM in the Little Theater (Chalon campus).

The recognition of achievements by our graduates is an important part of the Commencement activities at the Mount, and each of us contribute to this experience by participating in the selection of the award recipients and lending our presence on Mary's Day to demonstrate our pride and happiness in the achievements of our students.

Please plan to join the Mount community in honoring those students who will be recognized on April 28th. All students, faculty, staff, administration, and their families are invited to attend the Mary's Day ceremony. See you there!

Mary's Day is a celebration in which the college community honors Mary, the Mother of Jesus. From its inception over 50 years ago, this day has included a procession to the statue of Mary enshrined on campus, and the crowning of this statue with a wreath of flowers.

We celebrate Mary as a courageous woman who brought new life to the world by her openness to the Spirit and her willingness to walk a new and risky path. Throughout the years, it has been the tradition of Mount St. Mary's College to honor Mary by recognizing students who have developed their gifts so as to share them in service with the world in which we live.

Today, we continue this tradition. Mary's Day is a time when families and friends join faculty and administrators in honoring Mary by celebrating the achievements of the students of Mount St. Mary's College.

From Counseling and Psychological Services:

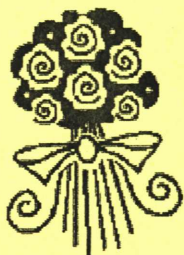

Stress Buster for the Week

Now that our country is engaged in war, you may be experiencing feelings of stress, anxiety, anger, sadness, even vulnerability. These feelings are normal; however, it is important not to let feelings overwhelm you. You can reduce your symptoms by drawing on resources that you have found helpful in the past. Some helpful coping techniques are talking with a friend, family member, teacher or counselor; increasing exercise, meditation, or prayer; listening to music, going to a movie, or taking a nature hike. Limit your exposure to the media and find positive activities that complement your beliefs.

Feel like you're carrying the world on your shoulders? Call Ext. 2668 to schedule an appointment with a counselor. All services are free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs from 8:30 - 4:30 p.m.

From the Diversity Action Council: **Invitation to Attend Women of Courage Presentation**

The Mount's Diversity Action Council invites you to an evening of learning and conversation on Thursday, April 10, at the Richard Riordan Central Library in downtown Los Angeles. Join us in attending "Women of Courage," a dramatic presentation directed by Rivka Fisher, president of Salma Hayek's film company, Ventanarosa Productions.

Historically playing to sold-out audiences, "Women of Courage" is a riveting blend of theater and reality. From the loud and public to the quiet and private, courage comes alive in unexpected ways through five women whose stories create a surprising arc. As narrator of the piece, Katherine Martin takes us inside her journey as she wrote the book, Women of Courage, was surprised by what she found and changed by the true nature of courage.

This dramatic presentation will tell the stories of these courageous local women:

Julie Su, who, a year out of law school, brought a landmark lawsuit against garment "sweatshops."

Michèle Ohayon, who was nominated for an Academy Award for her feature documentary, "Colors Straight Up."

Kathy Buckley, America's favorite hearing-impaired comedienne and author of If You Could Hear What I See.

Sabrina Ward Harrison, the young author of Spilling Open: The Art of Becoming Yourself.

Margaret Ensley, who created Mothers Against Violence in Schools, following the random shooting death of her son at school.

Prior to the play, we will be given a private tour of "Choosing to Participate: Facing History and Ourselves," a multimedia exhibit at the library that celebrates the power of the individual to make a difference. It features dramatic stories of ordinary citizens who took a stand in their communities and how everyday choices affected the course of history. After the tour and before the play, we'll have dinner at the library cafe.

A shuttle to the library will leave from Doheny at 4:30 p.m. and seating is limited, so call Bertha Rodriguez at ext. 2510 to reserve a spot. A shuttle from Doheny to Chalon will be available when we return. There is no cost to attend. We hope to see you there!

Please submit articles for publication in the Doheny Happenings to Bertha Rodriguez in Bldg. 10 at the Doheny campus or via email to brodriguez@msmc.la.edu on or before Thursdays at 10:00 a.m. for next's weeks issue.

Helping the Families Left Behind

All of us are aware of the war that is being fought overseas, but many of us do not know the
effect that this war is having on the families back home. The average monthly salary for a PFC
to Corporal in the United States Marines before taxes is approximately \$1,065. This does not
include housing and food allowances. The wives of those serving overseas cannot afford the
basic necessities to take care of themselves or their children.

The Associated Student Body is asking the Mount Community to help the families of the soldiers
that are fighting for our Freedom. These families need diapers and baby formula. Any monetary
donations will be used towards the purchasing of other items.

Please send all donations to Student Activities located in Building 7.

From Campus Ministry:

The saint for the week has been chosen especially for the war, which is currently among us. This week's pick is the patron against battle.

Saint of the Week: Saint Florian Feastday: May 4 Patron against Battle

The St. Florian commemorated in the Roman Martyrology on May 4th was an officer of the Roman army, who occupied a high administrative post in Noricum, now part of Austria, and who suffered death for the Faith in the days of Diocletian. Florian's legendary "Acts" state that he gave himself up at Lorch to the soldiers of Aquilinus, the governor, when they were rounding up the Christians, and after making a bold confession, he was twice scourged, half-flayed alive, set on fire, and finally thrown into the river Enns with a stone around his neck. His body, recovered and buried by a pious woman, was eventually removed to the Augustinian Abbey of St. Florian, near Linz. It is said to have been at a later date translated to Rome, and Pope Lucius III, in 1138, gave some of the saint's relics to King Casimir of Poland and to the Bishop of Cracow. Since that time, St. Florian has been regarded as a patron of Poland as well as of Linz, Upper Austria, and of firemen. There has been popular devotion to St. Florian in many parts of central Europe, and the tradition as to his martyrdom, not far from the spot where the Enns flows into the Danube, is ancient and reliable. Many miracles of healing are attributed to his intercession, and he is invoked as a powerful protector in danger from fire or water. His feast day is May 4th.

Collecting Ink Cartridges

Please help Campus Ministry help a school in need. El Camino Nuevo was founded in August 2000 by a group of community-based organizations in the MacArthur Park neighborhood. The MacArthur park neighborhood is one of the poorest and most densely populated neighborhoods in L.A. The mission of Camino Nuevo is to educate students in a college preparatory program to be literate, critical thinkers and independent problem solvers who are agents of social justice, with sensitivity toward the world around them.

We are asking all the Mount Community to help this school by **donating empty printer cartridges**. A computer company has offered the school to trade used computer cartridges for new computers. So make sure you don't throw the cartridges away – instead, place them in the boxes that will be located around the school. If you have any questions contact Liseth at Ext. 2672

MARY'S DAY 2003

Mary's Day, the annual academic honors and awards convocation for the baccalaureate students, will be held this year on Saturday, April 26, beginning at 2 p.m. in the Little Theater (Chalon campus).

The recognition of achievements by our graduates is an important part of the Commencement activities at the Mount, and each of us contributes to this experience by participating in the selection of the award recipients and lending our presence on Mary's Day to demonstrate our pride and happiness in the achievements of our students.

Please plan to join the Mount community in honoring those students who will be recognized on April 26th. All students, faculty, staff, administration, and their families are invited to attend the Mary's Day ceremony. See you there!

Mary's Day is a celebration in which the college community honors Mary, the Mother of Jesus. From its inception over 50 years ago, this day has included a procession to the statue of Mary enshrined on campus, and the crowning of this statue with a wreath of flowers.

We celebrate Mary as a courageous woman who brought new life to the world by her openness to the Spirit and her willingness to walk a new and risky path. Throughout the years, it has been the tradition of Mount St. Mary's College to honor Mary by recognizing students who have developed their gifts so as to share them in service with the world in which we live.

Today, we continue this tradition. Mary's Day is a time when families and friends join faculty and administrators in honoring Mary by celebrating the achievements of the students of Mount St. Mary's College.

If we miss you, call Arianne Walker at 310-954-4226 or send her an email at awalker@msmc.la.edu, so we can mail a survey or send a log-in ID to fill it out online.

From Counseling and Psychological Services:

Stress Buster for the Week

Ruminating is a style of thinking where ideas run in circles in your brain. It means obsessing about problems or situations instead of moving into action. Women ruminate more than men probably because they value relationships more than men. The problem with rumination is that it can lead to anxiety and depression while the problem remains unsolved or may even get worse. If you find that you are spending too much time thinking about a problem without taking some action, you may want to talk to another person who can give you some feedback that can help open up your thinking and will lead to effective action. Friends, family members, teachers, and counselors are there to help; just ask.

Feel like you're carrying the world on your shoulders? Call Ext. 2668 to schedule an appointment with a counselor. All services are free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs from 8:30 - 4:30 p.m.

From the ISAE Office:

Have you met your ISAE requirements this semester?

- ❖ Have you attended 2 educational programs or events?
- ❖ Have you met with your ISAE Peer Advisor?
- ❖ Have you met with your ISAE Counselor?

If not, be sure you complete everything by the end of the semester so you can continue being an active participant of the ISAE program.

Campus Ministry is helping a school in need. El Camino Nuevo was founded in August 2000 by a group of community-based organizations in the MacArthur Park neighborhood. The MacArthur park neighborhood is one of the poorest and most densely populated neighborhoods in L.A. The mission of Camino Nuevo is to educate students in a college preparatory program to be literate, critical thinkers and independent problem solvers who are agents of social justice, with sensitivity toward the world around them.

We are asking all the Mount Community to help this school by **donating empty printer cartridges**. A computer company has offered the school to trade used computer cartridges for new computers. So make sure you don't throw the cartridges away; instead, place them in the boxes that will be located around the school. If any questions contact Liseth at Ext. 2672

Thank You

Campus Ministry would like to thank everyone who helped with donations and assembling the Easter Baskets for our house keeping crew. They were very surprised and grateful.

Please submit articles for publication in the Doheny Happenings to Bertha Rodriguez in Bldg. 10 at the Doheny campus or via email to brodriguez@msmc.la.edu on or before Thursdays at 10:00 a.m. for next's weeks' issue.

From Voces Latinas:

We would like to remind you that our next meeting is April 23 in the Donohue Center from 7:00-8:00 p.m. Everyone is welcomed to attend.

Book Drive

Voces Latinas would also like everyone to participate in the book drive. We are collecting books for El Camino Nuevo Charter Academy. They have 560 students and no library. Our goal is to donate as many books as possible. The books may be used but must be in good condition; the books should range from K-9th grade levels. Place your donations in the boxes located around the school. One book per student will make a great difference. If you have any questions, contact Liseth at ext. 2672.

Tutoring

Voces Latinas is doing weekly tutoring every Friday from 3:00-5:30 p.m. Everyone is welcomed to join us in our weekly tutoring sessions at El Camino Nuevo Charter Academy. These students really need help, so they can go to college. We will be helping them in all subjects. Sign up on our board in building 4.

Stress Buster for the Week

WHAT MAKES YOU FEEL HAPPY? Happiness is very personal. Parents and friends can give you advice, but no one can give you happiness; you have to find it on your own. One way to find happiness is to develop daily habits that involve enjoyable activities and meaningful connections to others. One famous coach suggests that "Happiness begins where selfishness ends." Look deep inside yourself and decide what gives you a sense of self-worth and satisfaction. I'll bet you will feel happy.

Feel like you're carrying the world on your shoulders? Call Ext. 2668 to schedule an appointment with a counselor. All services are free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs from 8:30 - 4:30 p.m.

**** The final Prayers for Peace will be on Tuesdays from noon - 12:10 on April 29 and May 6 in Mercy Chapel.

Saint of the Week: This week's saint of the week is in honor of our Mount Students. Finals are just around the corner, so take the strength of St. Thomas Aquinas and do your best. Good luck and God Bless.

St. Thomas Aquinas, priest and doctor of the Church and patron of all universities and students. His feast day is January 28th. He was born toward the end of the year 1226. He was the son of Landulph, Count of Aquino, who, when St. Thomas was five years old, placed him under the care of the Benedictines of Monte Casino. His teachers were surprised at the progress he made, for he surpassed all his fellow pupils in learning as well as in the practice of virtue.
